An Appeal

All of us are aware of global warming and climate change. Extensive tree plantation is, therefore, an absolute must. The Kolkata Municipal Corporation has pledged to plant one crore saplings in the city, including the Greater Kolkata area, and has already launched a massive tree-plantation drive.

However, to make it really effective, the help and participation of all concerned including departments from the State Government, Army, SMPK, NGOs, Clubs, Schools, Colleges and citizens in general are absolutely essential.

If you have land and want to plant trees there you can approach KMC. We will distribute the saplings only if you ensure to plant and nurture them. It is also requested to help us identify the land for the plantation.

For availing saplings, the types and required number of saplings along with the name of a Nodal Person for contact may be communicated to Sri Kamal Sarkar, Director General, Parks & Squares Department, KMC [Mobile & Whatsapp No. 9674279805, email dg_ps@kmcgov.in] and Sri Somnath Sen, OSD & EO Dy. Chief Engineer, Parks & Squares Department, KMC [Mobile & Whatsapp No. 9830682809].

All are requested to come forward and join hands with us to make Kolkata and its surrounding green.
