**Reg: - Fixation of Rate-Chart Boards for information to the parkers**

Sir,

In reference to the subject captioned above it is to state that in our tender documents it is clearly written that the parking licensee should put-up rate charts through sign-boards at prominent places within their territory mentioning therein the rates of parking fees fixed by the Kolkata Municipal Corporation. But the same is not followed in most of the parking places.

Hence you are requested to fix-up rate-chart boards within your fee parking places at the earliest for the sake of interest of the parkers' i.e. common people.

Yours faithfully,

  
13/9/19  
**Manager (Car Parking)**
