Municipal Commissioner's Circular No. 04 of 2021-22

Yesterday (i.e. 11th May, 2021) in the review meeting Hon'ble Chairperson, Board of Administrators noted with concern that within Kolkata Municipal Corporation itself there are multiple agencies looking after street-light poles. While the funding can be arranged or the work can be taken by the different agencies, it should subsequently be noted in the asset list of Lighting & Electricity Department. Up keep and maintenance should be undertaken by Lighting & Electricity Department.

It is thus ordered that henceforth, all the street-light poles big, small, heritage, high-mast, etc. will be part of asset list of Kolkata Municipal Corporation, Lighting & Electricity Department and be maintained by them, irrespective of whichever other departments may have executed the work.

This will, however, not cover the poles of agencies outside Kolkata Municipal Corporation like Public Works Department, KMDA, HRBC and CESC.

This has the approval of Hon'ble Chairperson, BoA.
