Municipal Commissioner's Department
Date: 24/04/2018

Municipal Commissioner's Circular No. 16 of 2018-19

Re.: Strengthening of inter-departmental coordination and cooperation in relation to prevention of mosquito breeding, in 144 wards of KMC.

The respective Departments of Building, Solid Waste Management, Water Supply, Sewerage & Drainage and PMU, through the good offices of their controlling officers, are hereby directed to extend their departmental expertise at the 16 borough levels, in relation to facilitation of the urgent removal of 'potential breeding source/s', within a span of 24 (twenty four) hours, as a supplemental effort in Health Department's vector control initiative, to prevent/contain vector borne diseases like dengue/malaria, with the target of keeping the morbidity and mortality of such disease occurrences at the lowest, in the city of Kolkata.

Municipal Commissioner
