Municipal Commissioner's Circular No. 20 of 2024-2025

Sub.: Regular Monitoring for Prevention of Water loss from KMC Water Supply Stand Posts

In order to prevent filtered water loss from un-tapped water supply stand posts, Water Supply Department shall fix plastic taps to prevent wastage.

D.G. (Water Supply) is requested to issue necessary direction for conducting a survey in all zones to find out the number of untapped water sources and suitable action taken in this regard.

A report is to be submitted to the undersigned within 15 days from the date of this circular.

A mechanism for regular inspection of these taps has to be formulated with a monthly report to be submitted to Municipal Commissioner.

This is issued with the approval of Hon'ble Mayor.
