

Date:- 21.09.2021

**Municipal Commissioner's Circular No. 35 of 2021-22**

**Sub:- Constitution of High Power Committee for planning of desilting and refurbishing of the trunk sewer**

Draining of the rain water out of the city involves multi departments and multi disciplinary coordination. The city is facing the problem of water logging after heavy rain fall. In order to ensure that the drainage channels from the city upto the ultimate outfall is well maintained and developed, a short-term as well as the long-term approach needs to be developed.

Accordingly, a Committee comprising of:

1. Municipal Commissioner
2. Spl. Mpl. Commissioner (G&D)
3. CMF&A
4. DG (Civil)
5. DG (KEIIP)
6. DG (TPDD)
7. DG (S&D)
8. One representative of Irrigation and Waterways Department, Govt. of West Bengal may be constituted.

The Committee shall meet on 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of every month in the Conference Hall-I, CMO Buildings, KMC at 12:00 noon to plan and review the developments.

This has approval of the Hon'ble Chairperson, BoA, KMC.

  
Municipal Commissioner
