8	23229	Sudip Chakraborty	Inspector	Finance and Accounts	CMO
9	40558	Kartick Datta	Inspector	Electricity	HQ

The existing set up headed by DG (Environment & Heritage) will look after the Engineering and the Technical part related to renovation and beautification of water bodies.

The new cell under the Manager will conduct all the inspections in connection with the allegations received by KMC and periodically inspect the water bodies to ensure that no illegal filling is being done and the water bodies are clean.

Both DG (E&H) and the Manager will report to Spl. Mpl. Commissioner (D, G&S). One Dy. Manager will be responsible for supervision of the illegal filling of water bodies located under Borough I to VIII and the other will be responsible for supervision of water bodies located under Borough IX to XVI. The inspectors will be responsible for regular inspection of the water bodies on the complaints received on the illegal filling of water bodies. They will also inspect to
