

Municipal Commissioner's Circular Number **61** of 2019-20 dated **22.08.2019**

In order to conform to our present ERP system and to avoid delay in processing of bills and subsequent submission of GST return, all functioning departments are hereby directed to raise separate bills for items having different GST rate.

This will continue till the present ERP system is modified. DG (IT) will take further necessary action in regard to necessary modification of the ERP system.

This will come into force immediately.
