Municipal Commissioner's Order No. 02..... of 2022-23

Sub:- Prevention of electrocution caused from electrical infrastructure

There have been extremely unfortunate cases of electrocution of pedestrian in the past at certain places during the thunderstorm and waterlogging. There are KMC owned electrical gadgets and street furniture that should be properly maintained in safe and secure condition.

In view of the above D.G. (Ltg) shall take all precautionary measures to monitor the electrical gadgets, street light poles, junction boxes etc. so that the electrical components do not cause any harm to the pedestrian and public at large.

D.G. (Ltg) shall also prepare an inspection calendar during monsoon period and submit an action taken report/inspection report after every inspection to the Municipal Commissioner.

This order shall take immediate effect.

Municipal Commissioner
