Municipal Commissioner's Office Order No. 03 of 2022-23

**Sub: Up to date assessment prior to issue of no dues certificate/no objection certificate
from the Assessment Collection Department**

Instances have come to the notice of KMC authorities that in few cases fresh assessment/revision has been done leading to increase in tax liability including for previous years. Citizens have complained of receiving additional demands of high amounts soon after getting no dues certificate though such instances are rare. However, to further reduce such possibilities, it is ordered that the concerned revenue authority shall before grant of no dues certificate/NOC shall satisfy himself that the assessment has been revised up to date and is correct. This would reduce the instances quoted above where additional demands of high amount have been issued soon after grant of no dues certificate.

This has the approval of Hon'ble Mayor.
