Municipal Commissioner's Office Order No. 04 of 2022-23

Sub: Display of unauthorised/illegal/litigated buildings on KMC website

Instances have come to the notice of authorities where unscrupulous elements have sold unauthorised/illegal/litigated buildings to people who later had to face difficulties. While it is the responsibility of every individual to ascertain the title and legality of any property before purchase, KMC should display such list on its website for the ease and convenience of public in general. It should, however, be understood that such list will only be illustrative and cannot be exhaustive. As it also takes some time before the said information is even received by KMC.

Director General (Building) is, therefore, directed to display such list with proper disclaimer on KMC website. CM (Systems) shall provide the necessary assistance.

This has the approval of Hon'ble Mayor.
