

Municipal Commissioner's Office Order No. 07. of 2022-23, Dated: 08/08/2022

Instances have come to the notice of KMC authorities that, at times, KMC departments put up proposals for work/procurement at the last moment, seeking permission for short tender and relaxation of financial/tender rules on account of urgency.

For cases, where the event is a prior known one, for example, preparatory activities for Independence Day, the plea is nothing but laxity and lack of advance action on behalf of the concerned department.

It is therefore directed that all officers shall be vigilant and take advance action for work/procurement for events which are of annual featured and thus are known to us sufficiently well in advance.

The plea of urgency should only be tenable in the event of natural calamity/sudden announcements by Government/KMC which could not be forecasted earlier.
