

URGENT NOTICE

REMOVAL OF OVERHEAD CABLES FROM STREET LIGHT POLES OF HARISH MUKHERJEE ROAD

Notice to all Cable Operators, Broad Band and Internet Service Providers of Harish Mukherjee Road Dated 12-June-2021

URGENT notice to all of you, that despite earlier notice, no initiative had been taken by overhead cable owners for removal of overhead cables and laid underground as yet. Now as desired by the KMC Authority, it is decided that if the overhead cables at Harish Mukherjee Road not made underground within 48 hours, all overhead cables to be removed by the KMC, which are laid upon street light poles.

Civil Department of the KMC had laid underground Cable Ducts along Harish Mukherjee Road (from the crossing of Harish Mukherjee Road and Hazra Road and upto Debendra Ghosh Road) East Flank along with necessary pits for inlet and outlet of interval of 30m. You are requested to contact Lighting Department {Zone-III} at 28A, K.N.Sen Road, Kolkata-700042 for laying your cables in the underground pipes and removal & disposal of overhead cables from the street light poles.

“All Bengal Cable TV & Broadband Operators United Forum” is requested to coordinate with different cable operators and depute their men to observe & oversee the cable laying work at Harish Mukherjee Road for smooth completion of the pilot project.
