**OFFICE ORDER**

Ref. No. *DG/P&S/O.I./2022-2023*

Date: *04.04.2022*

It has been noticed in the recent past that there are certain "CONCRETE STRUCTURES" are constructed around the "BASE OF THE TREES" in the streets of the City. Such work of "CONCRETIZATION" of creating bases including construction of brick work using sand and cement around the base of the tree are being done.

This Act violates an Order passed by the Hon'ble Divisional Bench of the **Chief Justice** of Calcutta High Court.

Now it is circulated that in order to strictly comply the said order of the Hon'ble High Court and avoid further complications arising due to such work, no structures should be created by putting any concrete or brick work around the trees within 1.25 m. radius from the outer periphery of the base of the tree. Further it has been circulated that any such structures lying broken around the trees should be cleared off with immediate effect.

All the Boroughs / Offices / and other Line Departments of KMC are directed to take necessary action to disallow such structures to be re-erected newly or by means of repairing the broken part of it, if any, in future.

It is also suggested to conduct an Inspection at the ward level of each Borough so as to keep a strict vigil refraining any such activity in future.

This has been issued with the approval of the appropriated Authority of KMC should be followed with immediate effect.
