

Heading : Online Survey for Industry Sector Key Performance Indicators under Vision, Mission Exercise.

Information Technology & Electronics Department, Govt. of West Bengal, intends to collect some baseline data pertaining to various Key Performance Indicators (KPIs) through conducting an online survey. This survey is necessary to collect, collate and analyse data for creation of an output-oriented State Plan which would, in turn, lead to easy execution of policies.

Hence, all IT/ITES companies/firms are requested to visit <https://itweb.gov.in.it-survey/> for online registration by filling up requisite details and fill a simple questionnaire to complete the survey.
